

# Unit Process Company

A Subsidiary of **Bray International, Inc.**  
exclusive manufacturers representatives - [www.unitprocess.com](http://www.unitprocess.com)

834 80th Street Southwest  
Everett, Washington 98203

Phone 425-438-8726 or 800-833-8726  
Fax 425-438-8721

## Valves

|   |   |
|---|---|
| <br>A Division of BRAY INTERNATIONAL, Inc. | Butterfly Valves to 72"                     |
|    | Actuators, Electric & Pneumatic             |
|    | Plug Valves 2" to 72"                       |
|    | Safety Relief Valves                        |
|    | Ball Valves                                 |
|    | Severe Service Ball Valves                  |
|    | Wafer Swing Check Valves                    |
|    | Elastomer Tube Technology                   |
|    | AWWA Butterfly Valves to 144"               |
|    | Cam-Line, Cam-Tite, Fabri, Dia.             |
|   | Lined Plug & Check Valves                   |
|    | Manufacturer of Resilient Seated            |
|    | Butterfly Valves                            |
|    | Valves and Fittings                         |
|    | Pinch & Check Valves, Expansion Joints      |
|    | Valve Positioners & Misc. Valve Accessories |

## Pumps

|  |  |
|--|--|
|    | Acid & Acid Slurries   |
|    | Metering & Dosing  |
|    | Horizontal and Vertical Pumps for<br>General, API & Muni Services. |
|    | API, Low Flow/High Head  |
|    | Seal-less Magnetically Driven                                      |
|    | Non-API Low Flow/High Head   |
|    | Pump Control Valves  |
|    | Horizontal Split Case Pumps  |
|   | Vertical Inline Pumps (Solids Handling)                            |
|  | Vertical & Horizontal<br>API & Process Pumps                       |
|  | Canned Motor Centrifugal Pumps                                     |
|  | Metering Pumps   |

## Instrumentation & Electrical

|   |   |
|---|---|
|  | Level Controls  |
|  | Pre-insulated & Heat Traced<br>Tubing Bundles & Enclosures                  |
|  | Kajaani Process Measurement   |
|  | Electric Actuators for Valves<br>and other Applications                     |
|  | Thermal Mass Flow Meters  |
|  | Major International Supplier of Steam &<br>Electrical Heat Tracing Products |
|  | Energy and Automation<br>Field Analytics                                    |
|  | Nuflo<br>Barton   |
|   | Clif Mock<br>Caldon   |

## Capital Equipment

|  |   |
|--|---|
|  | Plate & Frame Heat Exchangers   |
|  | Smith and Loveless - Industrial Water<br>and Waste Water Treatment Equip. |
|  | Aftercoolers, Cyclone Separators<br>Heat Exchangers, Strainers            |
